

Appalachia - Unconventional Since 1859: Take Two - Newer and Lighter

PAPG and PTTC present **Appalachia - Unconventional Since 1859: Take Two - Newer and Lighter** March 19th at the Greentree Radisson in Pittsburgh.

This day long event will feature select talks from the ESAAPG/SPE meeting held in Pittsburgh last October. The extraordinary turnout at the fall meeting resulted in overflowing sessions. Therefore, PAPG decided it would be worthwhile to have popular talks from the meeting presented again. The seminar will also feature talks related to Marcellus shale water remediation and disposal that were not presented at the fall meeting.

A full agenda for the meeting will be sent out in the coming weeks.

Venue: Greentree Radisson Pittsburgh PA

Date: March 19th 2009, 8:00 am – 5:00 pm

Cost: \$50 per person. **Payment must be made in advance to reserve your spot.**

Checks can be written to PAPG. Payment is also available online through a Paypal account. (www.PAPGrocks.org/take2.htm)

Please rsvp to Jim Pancake to reserve your spot for this event.
